

**IT'S NOT ABOUT US,
IT'S ABOUT YOU!**

EMPOWER YOUR BUSINESS WITH AN IN-HOUSE TALENT TEAM

Companies often prefer managing recruitment internally—and we think that's a great idea! Our Grow Your Own Talent Team service helps you build a high-performing internal recruitment function from the ground up.

HOW IT WORKS:

- **On-Site Setup:** We establish your recruitment processes and procedures.
- **Technology Integration:** We set up job boards and an ATS system if required.
- **Process Testing:** We run and refine the process ourselves to ensure it works seamlessly.
- **Team Recruitment & Training:** We hire and train your first talent advisor.
- **Handover:** Once everything is running smoothly, we hand over to your new team.

ADDED VALUE:

- **Optional first-year exclusivity agreement for roles your internal team cannot fill.**
- **Ongoing support and advice when needed.**

WHY CHOOSE THIS SERVICE?

- **Reduce long-term recruitment costs.**
- **Gain full control over your hiring strategy.**
- **Build a sustainable talent acquisition capability.**

If you want to explore whether agency support could strengthen your in-house hiring strategy? Call us for a no-pressure chat on 01483 331382.

We'll share case studies, typical pricing, or simply help you ask the right questions.
